

## XIII SPANNABIS CHAMPIONS CUP 2018 (BARCELONA)

Cannabis Magazine and Cañamo have joined forces once again with the aim to organize the **XII Spannabis Champions Cup**, that is, with no doubt, the reference cannabis cup in our country.

Hereby we send you this information, inviting you to participate in next edition, which award ceremony will take place on 9th March 2018 at Spannabis auditorium.

Contest open to:

- National and international seed companies.
- National grow shops.
- National Cannabis related associations.

These are the new prizes and categories:

**Sativa:** First, second and third prize.

**Indica:** First, second and third prize.

**CBD:** First, second and third prize.

**Solvent extractions:** First, second and third prize.

**Non solvent extractions:** First, second and third prize.

All entries will be analyzed through a professional laboratory (cannabinoids and solvents) and these will be the special awards given by the laboratory:

**The vegetal sample with the highest THC level.**

**The vegetal sample with the highest CBD level.**

**Cleanest sample (Non solvent extractions).**

Spannabis Champions Cup have philanthropic vocation. All collected benefits, apart from the expenses caused by the organization of the cup and the analysis of the entries, will be donated to the Observatorio Espaol de Cannabis Medicinal (<http://oedcm.com/>).

The Spanish Medicinal Cannabis Observatory (OECM) was born in October 2015 with the need to promote, coordinate and develop activities and projects oriented to improve the knowledge about properties and medicinal uses of cannabis and its derivatives. Furthermore, it aims to advise public and private entities and inform the institutions, media and civil society about cannabis knowledge current situation, based on the results of scientific research and clinical trials. OECM is made up by researchers, medical doctors and patient associations related to medical cannabis use.
