

XXI Spannabis Champions Cup

Cannabis Magazine organizes the XXI Spannabis Champions Cup. The competition will have exclusively a VIP jury in each category. Sample quantities are reduced in this edition to make participation easier.

Bilbao Exhibition Centre (BEC)

Awards ceremony: **12 March 2027, 19:00**, in the World Cannabis Conference area at Spannabis Bilbao.

Sample submission: 1–31 January 2027.

Participation and registration

Participation is open to national and international seed banks, Spanish grow shops, national cannabis clubs and associations, cannabis-sector companies and professionals.

Register samples on the cup website

The form is password protected: **SpannabisCup420**.

Fees and sample quantities

Registration (VAT included)	Fee
One sample	390 €
Two or more samples	320 € / sample

Spannabis B2B benefit

Participants entering more than one sample will receive one complimentary ticket to Spannabis B2B. Participants entering a single sample will be able to purchase tickets to Spannabis B2B at a 50% discount.

Participation rules

1. Contestants must complete the registration that they will find on the cup website , for each sample with which they want to participate . For security reasons, the registration form is password protected. The password is: SpannabisCup420. Later, we will personally contact each participant to guide them through the process.
2. The representatives and contacts from the participating companies must be of legal age.
3. Only clubs and cannabis associations, companies of the sector, professionals, Spanish grow shops and national and international seed banks may compete in the contest.
4. Each sample can only be registered under the name of a Spanish Grow Shop, a company in the cannabis sector, a professional, a Cannabis Association/Club or Seeds Bank. The strain and the contestant names must be clearly provided. We won't accept collaborations or group participations.
5. Categories: Sativas / Indicas / CBD-rich / Rosin / Hash.
6. CBD samples must have at least a 1:1 ratio. If they had more THC than CBD, they would go to the category of Indica or Sativa.
7. Participants must pay 390€ (VAT included) if they participate with a single variety and 320€ (VAT included) per sample if they participate with more than one. Participation in the cup will not be accepted definitively, until payment of the registration fee.
8. Participants competing with one sample will receive one professional accreditation to attend the event, while participants competing with more than one sample will receive two professional accreditations. Participating companies that have received professional accreditation through other means, such as exhibitors or accredited professionals, are not eligible to apply for these accreditations. Applications for this accreditation must be submitted within the stipulated deadline, via the following link: spannabis.es/bilbao/acreditacion-profesional/
9. All samples must be submitted divided and in the following quantities: 8 grams in the case of flowers samples, divided into 4 samples of 2 grams; 4 grams in the case of hash, divided into 4 samples of 1 gram and 2.4 grams in the case of rosin, divided into 4 samples of 0.6 grams.
10. Extractions Samples must be delivered in [these containers](#) and vegetable samples in [these containers](#). To avoid any problems or contamination during repackaging, samples in other containers will not be accepted.
11. Priority should always be given to delivery of the sample in person.
12. If it cannot be delivered in person, the shipment must be made only by transport agency or courier, correctly vacuum- packed, without odor and never through the Post Office or Correos Express. The organization will not be responsible for the loss or interception of any shipment.
13. Shipments from the Canary Islands or the United Kingdom will not be accepted.
14. In the package that the samples are delivered, no image of the participating company or the cup or Spannabis can be included. Inside the package should be exclusively the samples and the identification code provided by the organization.
15. The labeling of the samples with the code that the organization will facilitate must be done correctly, so that it is not erased.
16. Vegetable samples must be properly manicured, clean of leaves and stems and free of pests and mold.
17. Cannabinoid analysis will be performed by a professional laboratory.
18. The judges reserve the right not to evaluate samples due to pathologies or quality problems.
19. The judges will score the varieties only for their aroma, flavor, and presence.
20. The juries will be made up of specialized judges in each category, who will remain anonymous until the end of the cup.
21. The voting of the winners will be made public , and all participants will receive their analysis, the scores and ranking position of their samples, once the cup has finished.
22. The submission of samples must be made between January the 1st and January the 31st , 2027, and payment for participation at any time before January the 31st, 2027. No participation outside this period or any package will be accepted after January the 31st.
23. The awards ceremony will take place on Friday, March the 12th, 2027, at 19:00, in the space reserved for the World Cannabis Conference at Spannabis Bilbao
24. The omission or non- compliance of any of the steps established by the organization and required for participation, from registration to delivery or shipment of samples, will result in the disqualification of the participant.
25. Participants entering more than one sample will receive one complimentary ticket to Spannabis B2B. Participants entering a single sample will be able to purchase tickets to Spannabis B2B at a 50% discount.
